

# PROGRAM AGENDA

2010 National STD Prevention Conference  
March 8 – 11, 2010  
Omni CNN Center  
Atlanta, GA

## MONDAY, MARCH 8, 2010

8:00 am – 6:00 pm                    **REGISTRATION/INFORMATION OPEN**

5:00 pm                                 **CONFERENCE BEGINS**

5:00 pm- 6:15 pm                   **OPENING PLENARY SESSION**

### **Moderator**

Kevin Fenton, MD, PhD, FFPH  
Director, National Center for HIV/AIDS, Viral Hepatitis, STD,  
and TB Prevention  
CDC, Atlanta

### **Welcome and Introduction**

Jeanne Marrazzo, MD, MPH  
Conference Co-Chairperson  
President, American STD Association  
University of Washington, Seattle

The Honorable John Lewis (Invited)  
United States House of Representatives  
Congressional District Number 5, Atlanta

Thomas R. Frieden, MD, MPH  
Director  
CDC, Atlanta

### **An Evolving Context for STD Prevention and Public Health: Health Care Reform in America**

William H. Foege, MD, MPH  
Senior Fellow  
Gates Foundation, Seattle

6:15 pm – 8:00 pm                   **WELCOME RECEPTION**  
**GRAND OPENING – EXHIBITION HALL**

8:00 pm – 9:30 pm                   **Pre-release Viewing of Documentary:**  
**“Let's Talk about Sex”**  
*(Directed by James Houston; Produced by Neal Weisman)*

# TUESDAY, MARCH 9, 2010

6:45 am – 8:15 pm

## SPONSORED BREAKFAST SESSION

**New Approaches to STD Molecular Diagnostic Testing in Public Health**

7:00 am – 8:30 am

## CONTINENTAL BREAKFAST

7:00 am – 6:00 pm

## REGISTRATION/INFORMATION OPEN

7:30 am – 6:30 pm

## EXHIBITION HALL OPEN

Closed 8:30 am – 9:30 am and 1:00 pm – 3:00 pm

8:30 am – 9:30 am

## PLENARY SESSION

### Moderator

Peter Leone, MD  
Director, North Carolina HIV/STD Prevention & Control Branch  
Professor of Medicine, University of North Carolina  
Chapel Hill, NC

### Introductory Comments

William Smith  
Executive Director  
National Coalition of STD Directors  
Washington, DC

### Vision for the Future of STD Prevention in an Era of Change

John M. Douglas, Jr., MD  
Director, Division of STD Prevention  
CDC, Atlanta

## CONCURRENT SESSIONS A1 – A9

10:15 am – 12:00 pm

## A1 SYMPOSIUM – Issues in Correctional Health: Symposium in 2 Parts

### Moderator

Jamie Miller, MPH  
California Department of Public Health, Richmond

### Part 1 Bridging Incarceration and Communities

### Jail-Based Chlamydia Screen-and-Treat Programs and Community Prevalence: Is There a Potential Spill-Over Effect?

Kwame Owusu-Edusei Jr., PhD  
CDC, Atlanta

**History of Incarceration and HIV/STD Risk Among Black Men who Have Sex with Men in Massachusetts**

Sean Bland  
The Fenway Institute, Boston

**Part 2 One More for the Prevention Tool Belt: Dispensing Condoms in Adult Correctional Settings**

**The District of Columbia Condom Distribution Program**

Henry Lesansky, PhD  
Department of Corrections, Washington, DC

**Forensic AIDS Project (FAP): San Francisco's Two-Model Approach to Condom Distribution in the Jails**

Kate Monico Klein  
Forensic AIDS Project, San Francisco

**The California Prison Condom Pilot: From Formative Research to Implementation and Evaluation**

Kimberley Lucas, MPH  
California Department of Public Health, Sacramento

10:15 am – 12:00 pm

**A2 ORAL PRESENTATIONS – Facing Patient Barriers to Transmission Prevention**

**Moderator**

Thomas Gift, PhD  
CDC, Atlanta

**A2a Barriers and Solutions to Commercially-Insured Adolescents Accessing Confidential Sexual Health Services**

Gale Burstein, MD, MPH  
University of Buffalo Pediatrics Associates

**A2b Adolescent Women Can Perform a Point-of-Care Test for Trichomoniasis as Accurately as Clinicians**

Jill Huppert, MD, MPH  
Cincinnati Children's Hospital Medical Center

**A2c Collaborating for Health: Summer STD Screening in an Urban Setting**

Melissa Sellevaag, MA, MSW  
District of Columbia Department of Health, Washington, DC

**A2d Self and Partner Examination for Syphilis Symptoms Among HIV-Infected Men Who Have Sex with Men — Phoenix, Arizona, 2008–2009**

Brandy Peterson, MPH, CHES  
CDC, Atlanta

**A2e Utility of Self-Reported Symptoms and Risk Behaviors in Identifying STD Patients Suitable for “Testing-Only” Visits**

Fujie Xu, MD, PhD  
CDC, Atlanta

**A2f Factors Associated with Partner Notification Practices and Preferences in Patients with Sexually Transmitted Diseases (STDs)**  
Priya Gursahaney  
University of Pittsburgh School of Medicine

10:15 am – 12:30 pm

**A3 WORKSHOP – Doing Herpes Care Better** (*extended time*)

**Moderator**

Gregory D. Zimet, PhD  
Indiana University School of Medicine, Indianapolis

**Doing Herpes Care Better**

Terri Warren, MEd, MS  
Westover Heights Clinic, Portland

H. Hunter Handsfield, MD  
University of Washington, Seattle

Peter Leone, MD  
University of North Carolina, Chapel Hill

10:15 am – 12:00 pm

**A4 ORAL PRESENTATIONS – HIV/STD Co-Infection: Epidemiology**

**Moderator**

Gustavo Aquino, MPH  
CDC, Atlanta

**A4a Gender and Age Patterns in HSV-2 and HIV Among Non-Injecting Drug Users**

Don Des Jarlais, PhD  
Beth Israel Medical Center, New York City

**A4b Factors Associated with HIV Seroconversion Among Men Diagnosed with Gonorrhea in Washington State: An Evidence Base for Targeting Integrated Partner Services**

Mark Stenger, MA  
Washington State Department of Health, Olympia

**A4c Defining and Describing HIV and STD Core Group Membership Using Population-Based Surveillance Data**

Patsy Lloyd, ScM  
The George Washington University, Washington, DC

**A4d STD Co-Infection Among HIV-Positive Baltimore City Residents, 2004-2008**

John Christian Hague, MPH  
Johns Hopkins Bloomberg School of Public Health, Baltimore

**A4e Improving Sexually Transmitted Disease (STD) Clinic Based HIV Partner Services: Checking the HIV/AIDS Registry (HARS) for Named Partners in 9 New York City Publicly Funded STD Clinics**

Alexis V. Kowalski, MPH  
New York City Department of Health & Mental Hygiene

**A4f HIV/AIDS and STD Co-Morbidity Assessment with the Use of Case-**

**Based Registry Matching, California, 2007**

Jennifer Brodsky, MPH  
California Department of Public Health, Richmond

10:15 am – 12:00 pm

**A5 SYMPOSIUM – Challenges for Monitoring STDs in the United States: Implications for Programs and Policy**

**Moderator**

Hillard Weinstock, MD, MPH  
CDC, Atlanta

**Probably Not What You Think: Trends in Chlamydial Infections in the United States**

Catherine Satterwhite, MSPH, MPH  
CDC, Atlanta

**Syphilis in the United States: Epidemiology and Emerging Trends**

John Su, MD, PhD  
CDC, Atlanta

**Trends in Surveillance of Gonorrhea in the United States**

Nicholas Gaffga, MD, MPH  
CDC, Atlanta

**Will Gonorrhea Become XDR-GC?**

Eileen Yee, MD  
CDC, Atlanta

10:15 am – 12:00 pm

**A6 ORAL PRESENTATIONS – Adolescents and STD Prevention**

**Moderator**

Kathleen Ethier, PhD  
CDC, Atlanta

**A6a Classification of the Complexity of Adolescent Relationships**

Susan Rosenthal, PhD  
Columbia University Medical Center College of Physicians and Surgeons, New York City

**A6b A Systematic Review and Meta-Analysis of Interventions to Prevent Adolescent Pregnancy, HIV, and Other Sexually Transmitted Infections: Comprehensive Risk Reduction and Abstinence Education**

Helen Chin, MPH, CPH  
CDC, Atlanta

**A6c Project Connect's Condom Availability Program Enhancements and Their Effect on Student Awareness and Utilization of the Program**

Christine De Rosa, PhD  
Health Research Association, Los Angeles

**A6d Perceptions of Partner Concurrency and Length of Relationship within a Cohort of Urban Adolescent Females at High Risk for Sexually Transmitted Diseases**

Pamela Matson, PhD, MPH  
Johns Hopkins School of Medicine, Baltimore

**A6e The Case for Screening at Non-Routine Exams: Evaluating IPP Screening Policy**

Sarah Goldenkranz, MPH  
Center for Health Training, Seattle

**A6f Relationship Between Perpetration and Victimization of Violence and Self-Reported Sexual Behavior Among Inner-City Adolescents in a Small Urban Setting**

Rachel Hart, MPH  
University at Albany, Rensselaer, NY

10:15 am – 12:00 pm

**A7 ORAL PRESENTATIONS – Partner Services: Challenges and Innovations**

**Moderator**

Matthew Hogben, PhD  
CDC, Atlanta

**A7a Evaluation of Statewide Case-Report Based System for Triage Patients to Receive Partner Services for Gonorrhea or Chlamydial Infection**

Matthew Golden, MPH, MD  
University of Washington, Seattle

**A7b Maximizing Case Finding Efforts Among Early Syphilis Contacts in an Era of Limited Field Investigation Resources**

Rilene Ng, MPH  
California Department of Public Health, Richmond

**A7c Best Practice Recommendations for Reportable STI Case Management and Contact Tracing**

Rita Shahin, MD, MHSc, FRCPC  
Toronto Public Health, Toronto, Ontario

**A7d Strengthening Community Involvement in Partner Services**

Elaine Martin, MA  
Virginia Department of Health, Richmond

**A7e Maximizing the Utility of the Internet for DIS Partner Services in Massachusetts**

Hillary Johnson, MHS  
Massachusetts Department of Public Health, Jamaica Plain

**A7f Evaluation of an On-Line Partner Notification Program**

Cornelis Rietmeijer, MD, PhD  
Denver Public Health Department

10:15 am – 12:00 pm

**A8 SYMPOSIUM – Intraventions: Using Cultural Leveraging to Reduce STD Disparities**

**Moderator**

Jo Valentine, MSW  
CDC, Atlanta

**The Prevalence of STDs in Racial and Ethnic Populations Throughout the United States**

Roxanne Barrow, MD, MPH  
CDC, Atlanta

**Socio-Cultural Factors that Influence Sexual/Drug-Risk and Protective Behavior for Black Gay and Bisexual Men**

Leo Wilton, PhD, MA  
Binghamton University, Binghamton, NY

**Allowing Cultural Factors to Influence Curriculum Design: Meeting the Needs of Native Youth**

Scott Tulloch  
CDC, Albuquerque

**Working with Historically Black Colleges and Universities (HBCUs) to Develop a STD Training Instrument for College-Age Students**

Dazon Dixon-Diallo, MPH  
SisterLove, Inc., Atlanta

**Developing Individual, Social, and Structural Interventions to Improve the Sexual and Reproductive Health of Communities of Color**

David B. Johnson  
CDC, Atlanta

10:15 am – 12:00 pm

**A9 ORAL PRESENTATIONS – Social Networks, Bridges, and Concurrency Issues in STD Transmission**

**Moderator**

Lisa Manhart, PhD  
University of Washington, Seattle

**A9a Concurrency Among Women <25 Years of Age Screened in Region X IPP Family Planning/Reproductive Health Clinics, 2009**

Wendy Nakatsukasa-Ono, MPH  
Center for Health Training, Seattle

**A9b Concurrency, Risk Behaviors, and High Risk Human Papillomavirus Among Older Women**

Marjan Javanbakht, PhD  
University of California at Los Angeles

**A9c Using STI Data to Identify and Reduce High-Risk Sexual Behavior in HIV Positive Individuals**

Christina Nelson, MD  
Colorado School of Public Health, Aurora

**A9d Giving STDs to Friends: Using Social Network Methods to Study Syphilis and Gonorrhea in Baltimore**

Janet Rosenbaum, PhD, AM  
Johns Hopkins Bloomberg School of Public Health, Baltimore

**A9e Increases in Female P&S in the Wake of a Long Standing Male P&S Outbreak**

Ellen Klingler, MPH  
New York City Dept of Health and Mental Hygiene

**12:00 pm – 1:30 pm**

**LUNCH BREAK**

**12:10 pm – 1:30 pm**

**TOWN HALL MEETING**

**STD Prevention and Health Care Reform**

**Discussants:**

Jeffrey Levi, PhD  
Trust for America's Health, Washington, DC

Gail Bolan, MD  
California Department of Public Health, Richmond

**12:00 pm – 1:30 pm**

**SPONSORED LUNCH SESSION  
HPV Update: The State of the Science**

**1:30 pm – 3:00 pm**

**MINI-PLenary SESSIONS**

**Mini-Plenary 1**

**Emerging Issues for HIV/STI Prevention**

**Moderator**

Jonathan Mermin, MD, MPH  
Director, Division of HIV/AIDS Prevention  
CDC, Atlanta

**Serosorting: Implications for HIV and STI Transmission**

Willi McFarland, MD, PhD, MPH & TM  
Director, HIV/AIDS Statistics and Epidemiology  
San Francisco Department of Health

**Pre-exposure Prophylaxis (PrEP) for HIV and Its Impact on STD Prevention**

Sharon L. Hillier, PhD  
Professor, University of Pittsburgh  
Director, Reproductive Infectious Disease Research and  
Center of Excellence in Women's Health  
Magee-Women's Hospital, Pittsburgh

**HPV Vaccine: New Issues, New Challenges**

Lauri Markowitz, MD  
Section Chief, Epidemiology Surveillance Branch  
Division of STD Prevention  
CDC, Atlanta

**Mini-Plenary 2**

**Cellphones, the Internet, and Other Electronic Communication:  
Opportunities and Challenges for STD Prevention**

**Moderator**

Rachel Kachur, MPH  
CDC, Atlanta

**The State of Electronic Communication in at-risk Populations:  
Implications for STD Prevention**

Amanda Lenhart, MA  
Director of Research on Teens, Children, and Families  
Pew Internet and American Life Project, Washington, DC

**Mobile Devices: The Birds and Bees Text Line**

Sally Swanson, MSW, MSPH  
Prevention Programs Director  
Adolescent Pregnancy Prevention Coalition of North Carolina  
Durham, NC

**Blogging/You-Tube: Homegrown Internet Education about Sexual  
Health**

Kicesie Drew  
Owner of Kicesie, LLC  
Dallas, TX

**Implications for STD Prevention**

Kees Rietmeijer, MD, PhD  
Denver Public Health Department, Denver

**CONCURRENT SESSIONS B1-B9**

**3:15 pm - 5:00 pm**

**B1 ORAL PRESENTATIONS – Challenges and Innovations in  
Health Communications**

**Moderator**

Amy Pulver, MA, MBA, MA  
CDC, Atlanta

**B1a Community Support for Normalizing Public Discussion about  
STDs: Results of a Statewide Survey**

Rosalind Thomas, MPH  
New York State Department of Health, Albany

**B1b Using Facebook to Assist Individuals in Making Informed  
Decisions about Their Sexual Health**

Selena Judon-Monk, DHSc, MPH  
Durham County Health Department, Durham, NC

- B1c A User-Generated Health Communications Campaign Contest Among College Students**  
Rachel Wynn, MPH  
CDC, Atlanta
- B1d Using Animation to Teach Correct Condom Use: Did it Get the Point Across?**  
Lisa Gilbert, PhD  
American Social Health Association  
Research Triangle Park, NC
- B1e Technology Usage Among STD Clinic Patients in New Orleans, Louisiana and Jackson, Mississippi**  
Leandro A. Mena, MD, MPH  
University of Mississippi Medical Center and Mississippi State  
Department of Health, Jackson
- B1f Got the Hookup: Implementing a Text-Message-Based Sexual Health Information and Clinic Referral Service for California Youth**  
Rebecca Braun, MPH  
California Family Health Council, Berkeley

3:15 pm - 5:00 pm

**B2 SYMPOSIUM – Pilot Test Results for Four Independent, Non-Treatment Based Interventions to Reduce Risk Behavior of Targeted Groups of Methamphetamine-Using MSM**

**Moderator**

Gordon Mansergh, PhD  
CDC, Atlanta

**Efficacy of a Brief Behavioral Intervention to Decrease Risk of HIV Transmission Regardless of HIV and Injection Drug Use Status Among Methamphetamine-Using MSM**

Richard Garfein, PhD, MPH  
University of California at San Diego, La Jolla

**A Text Messaging Intervention for Reducing High-Risk Drug and Sexual Behaviors Among Methamphetamine-Using MSM**

Cathy Reback, PhD  
Friends Research Institute, Los Angeles

**Couple-Based HIV/STI Intervention for African American, Methamphetamine-Involved MSM**

Elwin Wu, MS, PhD  
Columbia University School of Social Work, New York City

**Results of a Pilot Test of a Single Session Motivational Interviewing Intervention for Methamphetamine Using Men Who Have Sex with Men**

William Zule, MPH, DrPH  
RTI International, Research Triangle Park, NC

3:15 pm - 5:00 pm

**B3 ORAL PRESENTATIONS – As the Patient Presents: Clinical Conundrums**

**Moderator**

Mary Kamb, MD, MPH  
CDC, Atlanta

- B3a Chlamydia/Gonorrhea Screening and Outpatient Pelvic Inflammatory Disease Among Female Enrollees of a Large Managed Care Organization, 2003-2007**  
Joan Chow, MPH, DrPH  
California Department of Public Health, Richmond
- B3b Prevalence Rates of *C. trachomatis* (CT), *N. gonorrhoeae* (GC), *T. vaginalis* (TV), *M. genitalium* (MG), Syphilis, and HIV Among African-American Women Who Have Sex with Women (AAWSW) in Mississippi: Does Sex with Men Make a Difference?**  
Christina Muzny, MD  
University of Mississippi Medical Center, Jackson
- B3c Asymptomatic Urethritis is Associated with Characteristics that Suggest Sexually Transmitted Etiology Above and Beyond the Role of Recognized Sexually Transmitted Pathogens**  
Catherine M. Wetmore, MPH  
University of Washington, Seattle
- B3d Sexual and Demographic Risks for Infection with Specific Bacteria Associated with Bacterial Vaginosis (BV)**  
Jeanne Marrazzo, MD, MPH  
University of Washington, Seattle
- B3e A Randomized Treatment Trial: 2 Gram STAT Versus 7 DAY 500 MG BID Dose of Metronidazole (MTZ) for the Treatment of *Trichomonas vaginalis* Among HIV-Infected Women**  
Patricia Kissinger, PhD  
Tulane University, New Orleans
- B3f What is the Potential Role for Male Circumcision to Prevent Transmission of HIV and Other STD in the United States?**  
Peter Kilmarx, MD  
CDC, Atlanta

3:15 pm - 5:00 pm

**B4 SYMPOSIUM – The Natural History and Immunobiology of Genital *Chlamydia trachomatis* Infections and Implications for Control of Chlamydia and its Sequelae: Findings from the CDC Chlamydia Immunology and Control Expert Advisory Meeting**

**Moderator**

Sami L. Gottlieb, MD, MSPH  
CDC, Atlanta

**Introduction: Immunobiology of *Chlamydia trachomatis* Infection and Implications for Control of Chlamydia and its Sequelae**

Stuart Berman, MD ScM  
CDC, Atlanta

**Duration of Untreated Uncomplicated Genital *Chlamydia trachomatis* Infection and Factors Associated with Chlamydia Resolution**

William M. Geisler, MD, MPH  
University of Alabama at Birmingham

**Risk of Sequelae Following *Chlamydia trachomatis* Genital Infection in Women**

Fujie Xu, MD, PhD  
CDC, Atlanta

**Pathogenesis of Genital Chlamydia Infection and Implications for Chlamydia Control Programs**

Toni Darville, MD  
University of Pittsburgh Medical Center

**Evidence for Protective Immunity to *Chlamydia trachomatis* Genital Infection**

Byron Batteiger, MD  
Indiana University School of Medicine, Indianapolis

**Putting It All Together: Integrating Basic Science and Epidemiologic Findings to Inform Chlamydia Control Programs**

Sami L. Gottlieb, MD, MSPH  
CDC, Atlanta

3:15 pm - 5:00 pm

**B5 WORKSHOP – Developing a Sexually Transmitted Disease (STD) Epidemiologic (Epi) Profile**

**Moderator**

Nicholas Gaffga, MD, MPH  
CDC, Atlanta

**Background and Application of Epidemiologic Profiles**

Nicholas Gaffga, MD, MPH

**Visually Effective Methods to Publish County and Health Department STD Data**

Kathryn Macomber, MPH  
Michigan Department of Community Health, Lansing

**Application of an Epi Profile in Washington for GC Prevention Planning**

Mark Stenger, MA  
Washington State Department of Health, Olympia

**Strategies and Lessons Learned for Epi Profile Development in Virginia**

Jeffrey A. Stover, MPH  
Virginia Department of Health, Richmond

**Effective Visual Display and Access to STD Data in California**

Michael Samuel, DrPH  
California Department of Public Health, Richmond

**Application of Epi Profiles to Program Activities: Focusing On Where the Morbidity Is**

Kevin O'Connor, MA  
CDC, Atlanta

3:15 pm - 5:00 pm

**B6 ORAL PRESENTATIONS – Integration and Other Program Improvement Strategies**

**Moderator**

Janice Norwood  
CDC, Atlanta

- B6a How One State has Operationalized Program Collaboration and Service Integration (PCSI)**  
Dawne DiOrio Rekas, MPA  
Indiana State Department of Health, Indianapolis
- B6b A Model for Providing Comprehensive Services for High Risk Populations: Integration of Infectious Disease Control with Harm Reduction Interventions in a Public Health Department**  
Bruce Trigg, MD  
New Mexico Department of Health, Albuquerque
- B6c Integrated Partner Services: From Recommendations to Practice**  
Lupita Thornton  
Houston Department of Health and Human Services
- B6d Integration of Family Planning Services into an STD Clinic Setting**  
Judith Shlay, MD, MSPH  
Denver Public Health Department
- B6e Patients Receiving Emergency Contraception (EC) at Sexually Transmitted Disease (STD) Clinics, New York City, 2006 – 2009**  
Jessica M. Borrelli, MPH  
New York City Department of Health and Mental Hygiene
- B6f The Institute of Medicine National Strategy for Prevention and Control of Hepatitis B and Hepatitis C: Implications for STD Prevention Programs**  
John W. Ward, MD  
CDC, Atlanta

3:15 pm – 5:00 pm

**B7 ORAL PRESENTATIONS – STIs in Non-genital Sites**

**Moderator**

Ron Ballard, PhD  
CDC, Atlanta

- B7a Prevalent Sexually Transmitted Infections in Men Who Have Sex with Men is Associated with Rectal Hygiene Practices**  
Kristen Hess, MS, MPH  
University of California at Los Angeles
- B7b A Nested Case Control Study of Anorectal Lymphogranuloma Venereum Infection Diagnosed Among Men Who Have Sex with Men in NYC STD Clinics, 2007-2009**  
Preeti Pathela, DrPH, MPH  
New York City department of Health and Mental Hygiene
- B7c Specificities of the APTIMA Combo 2 and ProbeTec for *Chlamydia trachomatis* and *Neisseria gonorrhoeae* in Oropharyngeal and Rectal Specimens from MSM**  
Julius Schachter, PhD  
University of California at San Francisco
- B7d Testing for Rectal and Pharyngeal *Neisseria gonorrhoea* and *Chlamydia trachomatis* Infections Among Women — County of San Diego, California, 2008–2009**  
Kenneth A. Katz, MD, MSc, MSCE  
County of San Diego
- B7e Heterosexual Anal Sex: Findings from a Large Population-Based Sample**  
Preeti Pathela, DrPH
- B7f Prevalence of Rectal Chlamydia and Gonorrhoea Among High-Risk Female Youths: An Evaluation of Multi-Site Testing at Juvenile Detention Facilities in Los Angeles**  
Harlan Rotblatt  
Los Angeles County Department of Public Health

3:15 pm - 5:00 pm

**B8 ORAL PRESENTATIONS – Optimizing Clinical Services for STDs**

**Moderator**

Heidi Bauer, MD, MS, MPH  
California Department of Public Health, Richmond

- B8a Missed Opportunities for *Chlamydia trachomatis* (CT) Retesting and Implications for Structural Interventions at the Clinic Level: Differences in Retesting Rates by Type of Return Visit Within the California Family Planning (FP) Setting**  
Holly Howard, MPH  
California Department of Public Health, Richmond

- B8b Does an Internet-Based Self-Screening Program for Women Find Higher Prevalences for *Chlamydia trachomatis* than Family Planning Clinics?**  
Charlotte Gaydos, DrPH  
Johns Hopkins University, Baltimore
- B8c Increasing HIV Screening Coverage in Health Department Sexually Transmitted Disease (STD) Clinics, New York City (NYC), 2006-2009**  
Susan Blank, MD, MPH  
CDC, New York City Department of Health and Mental Hygiene
- B8d Expediting STD Services: Findings from an STD Clinic Fast-Track Service**  
Ali Stirland, MBChB, MSc  
Los Angeles County Department of Public Health
- B8e Diagnose and Adios: The Clinical Management of Newly Diagnosed Symptomatic Genital Herpes in Western Washington, 2008-2009**  
Matthew Golden, MD, MPH  
University of Washington, Seattle
- B8f Google It: The Importance of Website Optimization for Health Departments, CBOs and other Governmental Organizations**  
Sheila Desai  
Emory University, Atlanta

3:15 pm - 5:00 pm

**B9 SYMPOSIUM – STD Prevention Among Males: Innovations in Testing, Service Delivery and Education to Special Populations Among Title X Supported Agencies**

**Moderator**

David M. Johnson, MPH  
Office of Population Affairs, DHHS, Rockville, MD

**Improving Reproductive Health Clinical Service Delivery to Males in South Texas**

Amanda Stuckenberg  
Planned Parenthood of South Texas, Corpus Christi

**Seen On Da Streets**

David Johnson, MPH  
Minneapolis Department of Health and Family Support

**STD and Reproductive Health Services at the Young Men's Clinic (YMC) at New York-Presbyterian Hospital**

Bruce Armstrong, DSW  
Columbia University Mailman School of Public Health,  
New York City

**U.S. DHHS Office of Population Affairs, Office of Family Planning:  
OFP Male Involvement Initiatives**

Susan Moskosky, MSN, RNC  
Office of Population Affairs, DHHS, Rockville, MD

**5:00 pm – 6:30 pm**

**POSTER SESSION 1** *(odd numbered posters)*  
**AFTERNOON BREAK**

**6:45 pm – 9:00 pm**  
*CDC Global Health  
Odyssey*

**Special Viewing and Reception: *VD: Values, Rights, Public Health***  
Sponsored by Watsonian Society and ASHA  
*(pre-registration required/transportation provided)*

**8:00 pm – 9:30 pm**

**Pre-Release Viewing of Documentary:  
“*Let's Talk about Sex*”**  
*(Directed by James Houston; Produced by Neal Weisman)*

# WEDNESDAY, MARCH 10, 2010

6:45 am – 8:15 pm      **SPONSORED BREAKFAST SESSION**  
**Sexual Behaviors and Condom Use: Insights for STD Prevention**  
**from a New Nationally Representative Study of the U.S. Population**

7:00 am – 8:30 am      **CONTINENTAL BREAKFAST**

7:30 am – 5:30 pm      **EXHIBITION HALL OPEN**  
Closed 8:30 am – 9:30 am and 1:30 pm – 3:00 pm

7:30 am – 6:00 pm      **REGISTRATION/INFORMATION OPEN**

8:30 – 9:45 am      **PLENARY SESSION**

**Moderator**

Lynn Barclay  
President/CEO  
American Social Health Association  
Research Triangle Park, NC

**Achieving a More Holistic Norm for Sexual Health**

Eileen Zurbriggen, PhD  
Associate Professor of Psychology  
University of California at Santa Cruz

**Possibilities for Moving Forward**

Kevin Fenton, MD, PhD, FFPH  
Director, National Center for HIV/AIDS, Viral Hepatitis, STD,  
and TB Prevention  
CDC, Atlanta

**Jack N. Spencer Award**

**CONCURRENT SESSIONS C1-C9**

10:30 am – 12:15 pm      **C1 SYMPOSIUM – Did You GYT? Development, Implementation,**  
**and Evaluation of a National STD Testing Campaign**

**Moderator**

Mary McFarlane, PhD  
CDC, Atlanta

**GYT Development, Implementation, and Partnership Processes:**  
**The KFF Perspective**

Meredith Mishel  
Kaiser Family Foundation, Menlo Park, CA

**GYT Development, Implementation, and Partnership Processes:  
The MTV Perspective**

Jason Rzepka  
MTV, New York City

**GYT Development, Implementation, and Partnership Processes:  
The PPFA Perspective**

Ellen Golombek  
Planned Parenthood Federation of America, Washington, DC

**GYT Development, Implementation, and Partnership Processes:  
The CDC Perspective**

Allison Friedman, MS  
CDC, Atlanta

**GYT Evaluation (Part I)**

Vanessa Cullins, MD, MPH, MBA  
Planned Parenthood Federation of America, New York City

**GYT Evaluation (Part II)**

Mary McFarlane, PhD  
CDC, Atlanta

10:30 am – 12:15 pm

**C2 ORAL PRESENTATIONS – Social Contexts, Determinants, and  
Identities**

**Moderator**

Yolanda Wimberly, MD, MPH  
Morehouse School of Medicine, Atlanta

**C2a Self-Reported Sexual Behavior by Socio-Economic Status at the  
Individual vs. Zip-Code Level Among Inner-City Adolescents in a  
Small Urban Setting**

Kristi McClamroch, PhD, MPH  
University at Albany School of Public Health, Rensselaer, NY

**C2b Associations Between the Caregiver Relationships and Sexual  
Risk Behavior of Female Adolescents in an Urban Setting**

Marc Safran, MD, MPA  
CDC, Atlanta

**C2c Receipt of STD Testing, HIV Testing, and Sexual and Reproductive  
Health Care by Hispanic Youth: Associations with Generation of  
Immigration and Acculturation**

Penny Loosier, MA, MPH  
CDC, Atlanta

**C2d Experiences of Racial Discrimination Among African-American  
Women: Is It Associated with Risky Sexual Behavior and  
Psychosocial Mediators of HIV/STI-Associated Sexual Risk  
Behavior?**

Puja Seth, PhD  
CDC, Atlanta

**C2e Exploring “House” Networks as an Intervention Vehicle for MSM Living in the South**

Samantha Williams, PhD  
CDC, Atlanta

**C2f Health System and Personal Barriers Resulting in Decreased Utilization of STD Testing Services Among at Risk Black Men Who Have Sex with Men (MSM) in Massachusetts**

Sean Bland  
The Fenway Institute, Boston

10:30 am – 12:15 pm

**C3 SYMPOSIUM – Successes and Challenges in Surveillance and Monitoring Pelvic Inflammatory Disease (PID)**

**Moderator**

Kyle Bernstein, PhD, ScM  
San Francisco Department of Public Health

**The National PID Picture**

Catherine Satterwhite, MSPH, MPH  
CDC, Atlanta

**PID Surveillance in California**

Gail Bolan, MD  
California Department of Public Health, Richmond

**Case Based PID Surveillance in San Francisco**

Sally Stephens, MPH  
San Francisco Department of Public Health

**Using Administrative Data Sets to Assess PID in California Family Planning and Managed Care Programs, 2003-2007**

Joan Chow, MPH, DrPH  
California Department of Public Health, Richmond

**Developing a Gold Standard for PID Surveillance-Evaluation of PID Surveillance in a Northern California County**

Brad Jacobson, MPH  
San Mateo County Health Department, CA

**Statewide Efforts to Better Understand PID Surveillance**

Kyle Bernstein, PhD, ScM  
San Francisco Department of Public Health

10:30 am – 12:15 pm

**C4 ORAL PRESENTATIONS – Current Issues in Gonorrhea Prevention and Control**

**Moderator**

Thomas Peterman, MD  
CDC, Atlanta

- C4a Targeting Gonorrhea Counseling and Sex Partner Services to African Americans Using ZIP Codes and Fee-for-Service Reimbursement**  
Charlie Rabins, MPH  
Illinois Department of Public Health, Springfield
- C4b Utilizing Geomapping, Reported Gonorrhea Morbidity Information and Screening Venues Data to Target Resources Efficiently**  
Melinda Salmon  
Philadelphia Department of Public Health
- C4c Increased Detection and Geographic Spread of Gonorrhea, Chlamydia and Syphilis in Boston Area Men Who Have Sex with Men, 1997-2008**  
Kenneth Mayer, MD  
The Fenway Institute, Boston
- C4d Prescribing Changes Following Revised Treatment Guidelines for Gonorrhea: An Interrupted Time Series Analysis**  
Deborah Dowell, MD  
CDC, Atlanta
- C4e The Use of Real-Time PCR to Screen *Neisseria gonorrhoeae* Isolates for PenA Alterations – San Francisco, 2009**  
Pennan Barry, MD, MPH  
San Francisco Department of Public Health
- C4f Suppose Cephalosporin-Resistant Gonorrhea Has Landed – Now What Do You Do?**  
Stuart Berman, MD, ScM  
CDC, Atlanta

10:30 am – 12:15 pm

**C5 ORAL PRESENTATIONS – Impact of Informatics and Surveillance Methods on Prevention**

**Moderator**

Jeffrey M. Stover, MPH  
Virginia Department of Health, Richmond

- C5a An Informatics Approach to STD Surveillance: Data Integration in the Absence of an Electronic Medical Record System**  
Jennifer Bissette  
Virginia Department of Health, Richmond
- C5b A Closer Look at Chlamydia Re-Infection Rates: Denominators Are Important**  
Elizabeth Torrone, MSPH, PhD  
CDC, Atlanta
- C5c Missed Opportunities for Chlamydia Testing: A Look Into (non) Overlapping Clinical and Public Health Data**  
Sarah Wiehe, MD, MPH  
Indiana University School of Medicine, Indianapolis

- C5d From Chart to CART: Improving Automated Case-Finding for Pelvic Inflammatory Disease Using CART Analysis**  
Delia Scholes, PhD  
Group Health Research Institute, Group Health Cooperative, Seattle
- C5e Case-Crossover Analysis of Condom Use and HSV-2 Acquisition**  
Jeffrey Stanaway, MPH  
University of Washington, Seattle
- C5f Identifying Unreported and Undiagnosed Cases of Congenital Syphilis in Arizona Using Live Birth and Fetal Death Registries**  
M. Michelle Winscott, MD, MPH  
Arizona Department of Health Services, Phoenix

10:30 am – 12:15 pm

**C6 ORAL PRESENTATIONS – Improving the Yield of STD and HIV Testing**

**Moderator**

Charlotte Gaydos, PhD  
Johns Hopkins University, Baltimore

- C6a Self-Reported Bacterial Sexually Transmitted Disease Testing Among HIV-Infected Patients Receiving Care in the United States in 2007**  
Alicia Edwards, MA, MSPH  
CDC, Atlanta
- C6b Missed Opportunities for STD and HIV Testing in a North Carolina Emergency Department**  
Pamela Klein  
University of North Carolina, Chapel Hill
- C6c HIV Field-Based Testing Improves Testing Rates Among Notified Partners in New York City**  
Tamar Renaud, MPH  
New York City Department of Health and Mental Hygiene
- C6d Low Yield of HIV RNA Testing in HIV-Seronegative Samples in Baltimore STD Clinics**  
Elizabeth Temkin, MSN  
Johns Hopkins University, Baltimore
- C6e Healthcare Provider Barriers to Screening HIV-Infected MSM for STDs**  
Jarvis Carter, MPH  
CDC, Atlanta
- C6f Rectal HPV Infection in Men: Associations with Demographics, Drug Use and HIV Infection**  
Ryan Murphy, MPH  
University of California at Los Angeles

10:30 am – 12:45 pm

**C7 WORKSHOP – Thinking Outside the PowerPoint Box:  
Experiential Training Approaches from the National Network of  
STD/HIV Prevention Training Centers** *(extended time)*

**Moderator**

Terry Hogan, MPH  
Johns Hopkins University, Baltimore

**Experiential Vs. Didactic Trainings, Outlining NNPTC Experiential  
Courses and Components**

Pat Coury-Doniger, MS, FNP  
University of Rochester, NY

**Managing Partners and Preventing Re-Infections**

Laura Bachmann, MD, MPH  
Wake Forest University, Salisbury, NC

**Taking a Sexual History/Risk Assessment and Using Behavior  
Change Counseling**

Pat Coury-Doniger, MS, FNP

**Exam with Male and Female Pelvic Models**

Anne Rompalo, MD, ScM  
Johns Hopkins University, Baltimore

**Performing a Qualitative RPR Test and Syphilis Serology Case  
Discussion**

Linda Creegan, MS, FNP  
California STD/HIV Prevention Training Center, Oakland

10:30 am – 12:15 pm

**C8 SYMPOSIUM – Creative and Comprehensive Approaches to  
Prevention Among American Indian/Alaska Native Youth**

**Moderator**

Lori de Ravello, MPH  
CDC, Albuquerque

**Student Health Clinics on the Pine Ridge Indian Reservation**

Angela Big Crow, CNA, MSA  
Pine Ridge Indian Health Service, SD

**Native STAND: A Peer Education Curriculum for Healthy Decision  
Making for Native Youth**

Lori de Ravello, MPH

**Research to Action: Using an Adolescent Focus Group Project to  
Guide STD Prevention Programs**

Jessica Leston, MPH  
Alaska Native Tribal Health Consortium, Anchorage

**Developing Avenues for Reaching Native Gen M**

Stephanie Craig Rushing, MPH  
Northwest Portland Area Indian Health Board, Portland

**At-Risk Native Youth and Digital Media: Creating a New Literacy**

Tracy Rector, MEd  
Longhouse Media/Native Lens, Seattle

10:30 am – 12:15 pm

**C9 WORKSHOP – Helping Schools Address the HIV and STI Prevention Needs of LGBTQ Youth**

**Moderator**

James Bogden, MPH  
American Psychological Association, Washington, D.C.

**Presenters**

James Bogden, MPH

Sandra Leonard, RN, MS, FNP  
CDC, Atlanta

12:15 pm – 2:15 pm

**LUNCH BREAK**

12:30 pm – 2:00 pm

**THOMAS PARRAN AWARD LUNCHEON**  
*(Sponsored by ASTDA)*

*Thomas Parran Award Recipient*  
*H. Hunter Handsfield, MD*  
*University of Washington, Seattle*

2:15 pm – 3:45 pm

**MINI-PLENARY SESSIONS**

**Mini-Plenary 3**

**Sexual Partnering: The Science, Determinants, and Implications**

**Moderator**

J. Dennis Fortenberry, MD, MS  
Professor of Pediatrics  
University of Indiana School of Medicine, Indianapolis

**What Does Sex have to do with Identifying Sex Partners?**  
**Role of the Brain in Human Partnering**

Heather Rupp, PhD  
Assistant Scientist  
Kinsey Institute, Indianapolis

**Clustering Patterns and Sexual Partnerships: What are the Implications for STD Prevention?**

Jami Leichter, PhD  
Behavioral Scientist  
CDC, Atlanta

**Implications for Interventions: A Program Perspective**

Peter Leone, MD  
Director, North Carolina HIV/STD Prevention & Control Branch  
Professor of Medicine, University of North Carolina  
Chapel Hill, NC

**Mini-Plenary 4**

## **What Would You Do? Panel and Audience Responses to Tough Program Questions**

*Featuring an interactive panel and audience participation*

### **Moderator**

Edward Hook III, MD  
Professor, Division of Infectious Diseases  
University of Alabama  
Birmingham

### **Panelists**

Virginia Caine, MD  
Director, Indianapolis Public Health

Bruce Furness, MD  
Medical Director, STD Program  
Department of Health, Washington DC

Bruce Trigg, MD  
Medical Director, STD Program  
New Mexico Department of Public Health, Albuquerque

**3:45 pm – 5:15 pm**

**POSTER SESSION 2** (*even numbered posters*)  
**AFTERNOON BREAK**

**5:30 pm**

**EXHIBITION HALL CLOSES**

**4:00 pm – 5:30 pm**

**LATE BREAKER SESSION**

### **Moderator**

Sevgi Aral, PhD  
CDC, Atlanta

**LBa No Child Left Infected: Findings from a Universal High School CT/GC Screening Pilot in Los Angeles County**

Susan J. Walker, MPH  
Los Angeles County Department of Public Health

**LBb National HPV Vaccine Uptake and Vaccination Predictors and Barriers for Girls 8-17 Years Old — United States, 2008**

Charlene Wong  
CDC, Atlanta

- LBc**    **Calculating Disease Rates for Risk Groups: Estimating the National Population Size of Men Who Have Sex with Men**  
David W. Purcell, PhD  
CDC, Atlanta
- LBd**    **Performance Evaluation of a Community-Embedded Public Health Investigator Model Compared with a Traditional Public Health Investigator Model: The Los Angeles Experience**  
John Cross  
Los Angeles Gay & Lesbian Center, Los Angeles, CA
- LBe**    **Past and Current Syphilis Diagnoses Among *Treponema pallidum* EIA+/RPR- Patients with a High Rate of HIV Infection; Findings from Medical Record Review, New York City, 2008-2009**  
Dahlia Philips-Rodriguez, PhD  
Beth Israel Medical Center, New York City
- LBf**    **Epidemiology of Chlamydial, Gonococcal and Trichomonas Infections in the General Population of Reproductive-Age Women Does Not Favor the Use of a Tri-Valent Assay in the United States**  
Charlotte Kent, PhD  
CDC, Atlanta

**6:00 pm – 9:30 pm**

**NETWORKING/SOCIAL EVENT – Georgia Aquarium**  
(Sponsored by ASTDA and ASHA)

# THURSDAY, MARCH 11, 2010

7:00 am – 8:30 am                   CONTINENTAL BREAKFAST

7:30 am – 12:00 pm               REGISTRATION/INFORMATION OPEN

## CONCURRENT SESSIONS D1- D8

8:30 am – 10:15 am               **D1 SYMPOSIUM – “I Know:” Combining Home Testing Technology, Social Marketing, and Lessons from e-Commerce to Fight Chlamydia and Gonorrhea Disparities Among Young Women**

**Moderator**

Peter Kerndt, MD  
Los Angeles County Department of Public Health

**Developing an STD Testing Program for High Risk Populations: What Do We Know?**

Peter Kerndt, MD

**Home-Screening Tool: Self-Collected Vaginal Swabs for Detection of *Chlamydia trachomatis* and *Neisseria gonorrhoeae***

John Papp, PhD  
CDC, Atlanta

**An e-Commerce Model for Home Test Kits: How to Do It, and Why It Matters**

Harlan Rotblatt  
Los Angeles County Department of Public Health

**Evaluation Part 1: Use of the Home Test Kit Program**

Harlan Rotblatt

**Evaluation Part 2: The Role and Impact of Marketing in the “I Know” Home Test Kit Program**

Jorge Montoya, PhD  
Los Angeles County Department of Public Health

**Evaluation Part 3: Cost Effectiveness of the “I Know” Home Test Kit**

Thomas Gift, PhD  
CDC, Atlanta

8:30 am – 10:15 am               **D2 ORAL PRESENTATIONS – Capacity and Resources: Challenges and Opportunities for STD Programs**

**Moderator**

Charlotte Kent, PhD  
CDC, Atlanta

- D2a STD Program Capacity and Preparedness in the United States: Results of a National Survey, 2009**  
William Wong, MD  
Chicago Department of Public Health, Chicago
- D2b Streamlining Services to Increase Patient Capacity at an Urban STD Clinic**  
Andrew Smith  
Marion County Health Department, Indianapolis
- D2c David and Goliath, Collaborative Public Health Efforts Verses Traditional Vendor Approaches**  
Stacy Shiver  
Florida Department of Health, Tallahassee
- D2d Resources to Facilitate Expedited Partner Therapy**  
Richard Goldsworthy, PhD  
Academic Edge, Inc., Bloomington, IN
- D2e Making the Most of Less: Collaborative Targeting of Chlamydia Tests when the Budget Requires Rationing**  
Barbara Conrad, RN, MPH  
Maryland Department of Health and Mental Hygiene, Baltimore
- D2f Implementation of a Data System to Assure Effective STD/HIV/HCV Surveillance and Patient Care**  
Brian Bongner  
Lake County Health Department and Community Health Center, Waukegan, IL

**8:30 am – 10:15 am**

**D3 ORAL PRESENTATIONS – Current Issues in HPV Prevention**

**Moderator**

Lauri Markowitz, MD  
CDC, Atlanta

- D3a Monitoring HPV Vaccine Impact on Cervical Cancer Precursors: Preliminary Results from the HPV-IMPACT Monitoring Project**  
Susan Hariri, PhD  
CDC, Atlanta
- D3b Creating a Novel Surveillance System from Scratch: California's Human Papillomavirus (HPV) Vaccine Impact Monitoring Project (HPV-IMPACT)**  
Erin Whitney, MPH  
California Department of Public Health, Richmond
- D3c STI Vaccination: What Do Adult Women Want?**  
Gregory Zimet, PhD  
Indiana University School of Medicine, Indianapolis

- D3d Efficacy of GARDASIL® Against External Genital Lesions Due to 14 HPV Types in Men**  
 Anna Giuliano, PhD  
 H. Lee Moffitt Cancer Center and Research Institute, Tampa
- D3e The Cost-Effectiveness of Male Human Papillomavirus (HPV) Vaccination in the United States**  
 Harrell Chesson, PhD  
 CDC, Atlanta
- D3f Males Receiving HPV Test Results: A Unique Opportunity to Assess Emotional Responses in Men**  
 Ellen Daley, PhD  
 University of South Florida, Tampa

8:30 am – 10:15 am

**D4 ORAL PRESENTATIONS – Current Issues in Syphilis Prevention and Control**

**Moderator**

Kevin O'Connor, MA  
 CDC, Atlanta

- D4a Discordant Syphilis EIA Test Results: Are Newer Tests Better?**  
 Daniel Pohl  
 Howard Brown Health Center, Chicago
- D4b Follow-up Testing Among MSM Diagnosed with Early Syphilis in Primary Care at a Large Urban LGBT Health Clinic, Chicago, 2002-2008**  
 Anna Hotton, MPH  
 Howard Brown/UIC School of Public Health, Chicago
- D4c Follow-up Syphilis Testing Behavior after Diagnosis with Early Syphilis Among Men Who Have Sex with Men – San Francisco, 2005–2008**  
 Julia L. Marcus, MPH  
 San Francisco Department of Public Health
- D4d Syphilis Outbreak at a Men's State Prison, California, 2007-2008**  
 Jennifer Brodsky, MPH  
 California Department of Public Health, Richmond
- D4e Early Latent Syphilis – Barometer of Syphilis Control Program**  
 Akbar Zaidi, PhD  
 CDC, Atlanta
- D4d From Elimination to Proliferation: Syphilis Elimination in North Carolina, An Opportunity Lost**  
 Peter Leone, MD  
 President, National Coalition of STD Directors  
 University of North Carolina, Chapel Hill

8:30 am – 10:15 am

**D5 SYMPOSIUM – Retesting Females for Chlamydia Infection: Evaluating Current Practices and Implementing Strategies for Increasing Retesting Rates**

**Moderator**

Patricia A. Blackburn, MPH  
Center for Health Training, Oakland

**Epidemiologic Considerations for Chlamydia Retesting: Why Retesting is Important, and Why Increasing Retesting Rates has Proven Challenging in Public Health Settings**

Matthew Golden, MPH, MD  
University of Washington, Seattle

**Trends in Retesting and Repeat Infection Rates Using Administrative Claims Data from California Family Planning and Managed Care Programs, 2003-2007**

Joan Chow, MPH, DrPH  
California Department of Public Health, Richmond

**An Evaluation of Chlamydia Retesting Rates and Positivity Among Females Attending STD and Family Planning Clinics in HHS Region II**

Kelly Morrison Opdyke, MPH  
Cicatelli Associates Inc., New York City

**Utilizing "Reason for Visit" to Assess Rescreening Rates Among Females Attending STD and Family Planning Clinics in HHS Region X**

Sarah Goldenkranz, MPH  
Center for Health Training, Seattle

8:30 am – 10:15 am

**D6 WORKSHOP – Prevention and Treatment of STDs in the Medical Home Model: Collaboration Between Public Health and Primary Care**

**Moderator**

Raul A. Romaguera, DMD, MPH  
CDC, Atlanta

**Presenter**

Kathy McNamara  
National Association of Community Health Centers (NACHC)  
Bethesda, MD

8:30 am – 10:15 am

**D7 WORKSHOP – The New York State Experience of Developing a Statewide Program for Internet-Based Partner Services (IPS) and Statewide Guidelines for Online Outreach Based on the National Guidelines for Internet-Based STD and HIV Prevention**

**Moderator**

Stephan Adelson  
Adelson Consulting Services, Chelsea, MA

**Overview**

Stephan Adelson

**Developing Statewide Guidelines for Internet-Based Partner Services and Internet Outreach**

Peter Laqueur, MSW  
New York State Department of Health

**Managing the Development of a Statewide Internet-Based Partner Services Program**

Judi Bulmer  
New York State Department of Health, Albany

**Developing a Statewide Internet-Based Partner Services Program: The DIS Perspective**

Kelly Firenze  
New York State Department of Health, Syracuse

8:30 am – 10:15 am

**D8 ORAL PRESENTATIONS – Disparities in STD Rates**

**Moderator**

Wendy Nakatsukasa-Ono, MPH  
Center for Health Training, Seattle

**D8a Chlamydia Positivity Among Men and Women Seen at Texas Border and Non-Border Family Planning Clinics, 2008**

Jennifer Curtiss  
Center for Health Training, Austin

**D8b Persistent Congenital Syphilis Among Hispanic Infants Despite Declining Syphilis Rates Among Women: Maricopa County, Arizona – 2004–2008**

Robert Kirkcaldy, MD, MPH  
CDC, Atlanta

**D8c Prevalence of High-Risk Human Papillomavirus Types and Abnormal Cervical Cytology Among American Indian and Alaska Native Women in a U.S. Cervical Screening Population, 2003-2005**

Grace Alfonsi, MD  
Denver Public Health Department

**D8d STIs Among High-Risk Groups in Rural and Urban North Carolina**

William Zule, MPH, DrPH  
RTI International, Research Triangle Park, NC

**D8e Temporal Trend Analysis of Racial Disparity in Chlamydia Infections: Is Black-White Disparity Improving?**

Lin H. Tian, MD, MS  
CDC, Atlanta

**D8f Routine Healthcare Provider Sexual History Taking Among National Medical Association Physicians and African American Male Patients**

Madeline Sutton, MD, MPH  
CDC, Atlanta

**8:30 am – 10:15 am**

**D9 SYMPOSIUM – GIS and Surveillance Data: Improving Surveillance Capacity and Infrastructure Development**

**Moderator**

Donna J. Helms, MPH, CPH  
CDC, Atlanta

**A Policies and Procedures Manual: Providing Surveillance Programs with the Necessary Guidelines and Tools to Use GIS with Surveillance Data**

Donna J. Helms, MPH, CPH

**Mapping with Small Numbers: How to Protect Security and Confidentiality of GIS Data**

Kimberlee Elmore, PhD  
CDC, Atlanta

**Geographic Distribution of HIV/STD Comorbidity – Application of Integrating GIS into Core HIV Surveillance Activities**

Mark Stenger, MA,  
Washington State Department of Health, Olympia

**Assessing Geographic Changes in HIV/AIDS Trends: Using GIS to Inform Program Policy**

Jeffrey A. Stover, MPH  
Virginia Department of Health, Richmond

**Characterization of HIV Incidence Cases in Colorado – 2007 and 2008**

Ralph Wilmoth, MPH, MPA  
Colorado Department of Public Health and Environment, Denver

**10:45 am – 12:00 pm**

**CLOSING PLENARY SESSION**

**Moderator**

John M. Douglas, Jr., MD  
Director, Division of STD Prevention, CDC  
Atlanta

**Where is STD Prevention in the Future of Public Health?**

Thomas R. Frieden, MD, MPH  
Director, CDC  
Atlanta
